

# Licensed Cadastral Surveyor | Auckland

- Innovative professional consultancy forging a reputation for unique spatial solutions
- Work with a friendly and professional team
- A range of projects including subdivision and land development

As an urban regeneration specialist, Envivo is a multi-discipline consultancy that provides market leading professional services in Engineering, Surveying and Planning to a wide range of land development, construction and institutional clients.

Our Surveyors have been involved in numerous subdivision and land development projects and ensured our clients' success by providing comprehensive surveying services and sound advice. We have a reputation for producing industry-leading plans and digital information.

## Responsibilities

- Undertake cadastral surveying including subdivisions, E-survey calculations, information search, survey processing and calculations
- Undertake QA of scheme designs
- Complete compliance certifications
- Prepare planning and property assessments
- Liaise with clients and develop client relationships
- Project management
- Training and mentoring of junior staff

## Skills/Experience Required

- Suitably degree-qualified Licensed Cadastral Surveyor
- Strong skills in Civil 3D, 12D Survey and Landonline
- Excellent verbal and written communication skills
- Professional and confident interaction with clients and staff
- Ability to work autonomously and to deadlines

Envivo values people who enjoy working collaboratively in a team environment. We have a focus on professional standards and on achieving successful outcomes for our clients.

To apply, please email your cover letter and CV to Jennifer Young, HR Manager, [recruitment@envivo.nz](mailto:recruitment@envivo.nz).
